

## DIYC July 4th 2017 Cruise to Block Island

This year's cruise to Block Island was an unqualified success. It was hosted by Donna and Burke Schlott on *Kittyhawk*.

The boats attending were *Morning Star*, *Sea Wings*, *Screwball*, *Euphoria* and *Crazy Horse*.

The weather for the cruise started out being cool and quite windy, but eventually settled down to perfect Summer weather at Block.

Events included the annual fireworks display, Block Island parade, and a beach barbecue with burgers, dogs and smores. Everyone showed up with various dishes to be shared by all.

A wonderful time was had by all.

All of those attending said "Let's do this again next year"!
